Your NovaChat: First Steps

NovaChat 5 · 4th Generation   NovaChat 10 · 7th Generation

NovaChat 8 · 4th Generation   NovaChat 12 · 1st Generation

1 Before You Turn on Your NovaChat® Device

You received a battery charger with your NovaChat device. Connect the charger to the NovaChat device/amplifier. Plug the other end of the charger into a wall outlet.

NovaChat 12 Detail

| **NovaChat 12 device USB charging port (with back of device facing up)** | If you insert a USB 2.0 Micro cable (with the back of the device facing up), the connector will insert into the left side of the port. It will *not* fill the entire port. | If you insert a USB 3.0 Micro B cable, the connector will fill the entire port. |

2 Call for Training

Call a speech and language pathologist or a Saltillo consultant for detailed training and guidance with your device. For a list of consultants in your area, go to http://saltillo.com/reps.

3 Identify the Buttons on Your Device

You will frequently use the power and volume buttons. The NovaChat 12 includes Menu, Home, and Back buttons.

4 Choose a Vocabulary File

If you want to use a different vocabulary file than the one that is currently active, you can select an alternative. Your speech and language specialist may assist in choosing the best vocabulary.
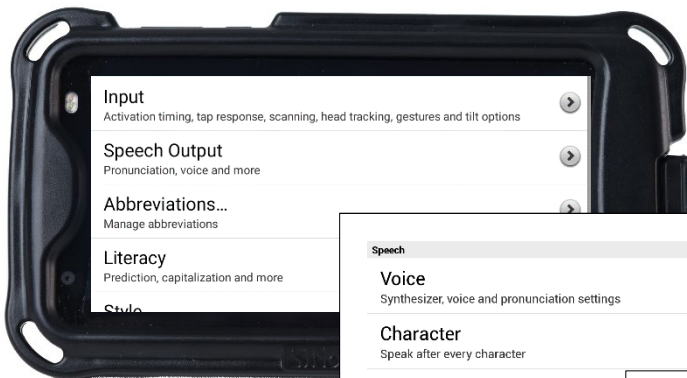

1. Choose **Menu**.
2. Tap on **Library**.
3. Scroll up and down the list to view the available vocabulary files.
4. Select the file you want.

5 Choose a Voice

If you want to use a different voice than the one that is currently active, you can choose from a variety of voices.

1. Choose **Menu**.
2. Tap on **Application Settings**.
3. Tap on **Speech Output**.

* If you purchased Acapela Synthesizer:
After you tap on **Voice** (step 4), tap on **Synthesizer** and select **Acapela**. Then proceed to step 5.

Tap on arrow

4. Tap on **Voice**.*

5. Tap on **Voice Settings**.

6. Tap on the arrow on the top far right to open the drop-down menu.
7. Tap on the voice you want.

8. Tap on **Save**.
9. Select **Back** until you return to the vocabulary page.

6 Now, Start Exploring Your Device! Refer to the User's Guide for Assistance.
