**FUN WITH
FLASH CARDS**
core words

Practice makes permanent! Although language is best learned in context, flashcards offer a quick and easy way to work in some extra practice.

Flash cards can be used for much more than drill. Have fun with learning and play a game!

- **Scavenger Hunt:** hide cards around the room
- **Froggy Find:** hide cards under lily pads. Hop or move, practicing words as you find them.
- **Sentences:** use the word in a sentence.
- **Memory or Go Fish:** print two sets and play
- **Bingo:** use these as your caller cards
- **Races:** flip over the first card in the deck. Race to see who can find the word on the device first
- **Art Activity:** leave the front of the card blank and have student draw a picture of the word
- **Most Board Games:** draw a card and find/say the word before you take a turn.
