## How do you feel?

BINGO offers a fun way to explore and practice feeling words and target use of the words **I feel** using WordPower™. Emotion or feeling words appear in WordPower following the word feel. Emojis are included in many files for more fun and expression!

Shown: WordPower60 Basic SS

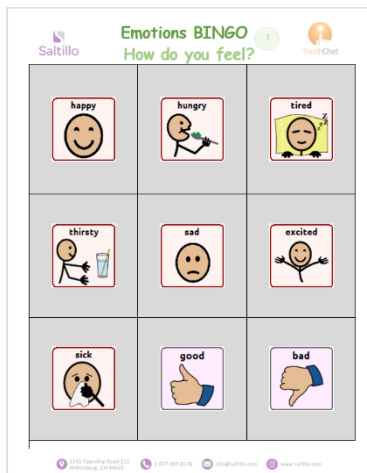

### Instructions for setup:

1. Print different BINGO boards for each player. Laminate so you can reuse.
2. Print call out sheets and call out marker cards. Laminate for reuse. One will be cut up and used as call out cards.
3. Device: Use the Chat Editor™, NovaChat®, ChatFusion™, TouchChat® Express, or TouchChat® app with WordPower to express emotions selected as callouts.

### Play the game:

1. Provide each player with a different BINGO board, a sentence starter to match their language system, and some type of space marker. (BINGO chips, candy, paper squares, etc.)

## How do you feel?

- Place the cut up call out cards in a hat, bowl or other container.

- The caller will pull out one call out card, ask "Does anyone feel" and press the corresponding emotion (i.e. happy, sad, good, bad, etc.) on the device. Repeat the word if necessary.

- The player will check their board for the matching emotion. If the player has a match, he/she will say "I feel \_\_\_\_."

- If the player finds the correct emotion, he/she will mark their BINGO board. Three marked squares in a row will be a winner!
