This month we are exploring Australia.

What are we looking at?

This webcam lets you visit the Australia Zoo. You can watch the animals live or view tours of the zoo. Australia is very far away, so when you are watching, it may be night time for the animals. If the animals are sleeping watch a tour of the zoo or a Keeper Talk.

1. Keeper Talks can be viewed here.
2. Take a tour of different areas of the zoo.
3. Have an up-close encounter with different animals here.
4. Watch the live cams here! Are the animals awake?
