

Welcome to our virtual travel scavenger hunt! Each month, we will be visiting a new location virtually. Click the link and use the scavenger hunt below to explore the virtual location! As you complete the activity, add a passport stamp to your passport and write about your travels in the Stories and Scripts pages.

Virtual Travel July 2021

This month we are exploring the Oceans and Rivers.

<https://www.georgiaaquarium.org/webcam/ocean-voyager/>

What are we looking at?

This month you can explore the oceans, rivers and the animals that live in them! The Georgia Aquarium has live webcams that let you watch the animals in a few different tanks.

1. When you click the link you are taken to the Ocean Voyager tank. It is one of the largest single tanks in the world. Look for fish, sharks and many other animals!
2. Scroll through the videos at the bottom to explore other animals!
3. Make sure to visit the otters and the penguins!
4. You can find more information about all the animals here.

Scavenger Hunt: Oceans and Rivers

What will we see?

1. What animals did you see?

Alligator Shark Fish Turtle

2. What were the penguins doing?

Eating Playing Sleeping Something different

3. What was your favorite animal?

Penguin Otter Shark Something different

4. Have you seen the ocean in real life?

Yes No

Add this stamp to your passport:

Write about your travels!
What was the coolest thing you saw?

You will have a great story of all your travels!

Modeling Markers

For use on Modeling Mondays with the PRC-Salttillo Challenge Week. Use these cards to mark how many times you modeled each word throughout the day.

Use this spinner with **WordPower 60 Basic**.

Core Spinner July 2021

Make the Core Spinner:

- Use a fastener, or brad, and a paperclip. The paper clip acts as the selector.
- Put a fidget spinner in the middle of the spinner. Put a sticker (or mark) one arm to be the selector.
- Poke a pencil in the middle and spin on the point. The section that it stops spinning on is selected.

Ideas to Use the Core Spinner:

- Print on card stock (or laminate) for a sturdier spinner.
- Use with games that contain a spinner or dice. Spin both spinners; or roll the dice and spin the Core Spinner.
- Take turns spinning. Find the selected word. Or create a phrase or sentence with the selected word.
- Print 2 spinners to practice making sentences with the selected words.

Make a River

Things You Can Say While Playing

Materials

- Aluminum foil
- Pitcher (or container)
- Water
- Other desired toys for decoration
- AAC user
- You
- Low-tech Board

Directions to Make a River

1. Decide where to build your river.
You can build it outside, in a sink, or in a bathtub. You decide where it would be the most fun to build your river! To make your river go fast, elevate the side where you will pour the water.
2. Gather your materials. At a minimum you will need: aluminum foil, pitcher (or other container for water), and water
Some fun things to add to your river are:
 - Boats
 - People
 - Rocks and stones
 - Animals like bears, fish, deer, whatever you want!
 - A bridge (made from blocks or Legos)
3. Roll out one long strip of foil. This will be your river.
You decide if you want a long river or a short river. You can make it turn or stay straight. You decide!
4. Fold the sides up to keep the water in your river. Add your river decorations (rocks, animals, etc.).
You decide how much to roll up the foil. You can make your river wide or narrow. If you want the water to stay in the river, fold up the ends. But, if you want the water to flow fast leave the ends unfolded (and the water will flow out).
5. Pour the water into your river at one end. Have fun!
