Looking for more resources and materials to implement with your AAC learner? We've got just the thing for you!

The 2023 PRC-Salttillo Calendar is all about the expressive arts; the 2023 PRC-Salttillo Literacy Planner is all about food! In this handout, you will find an activity that supports both the Calendar and the Literacy planner. Included are suggested core words to use while completing the activity and links to other resources to continue the fun!

Connection Activity

Pigeon Puppet Play

Make your very own pigeon puppets and act it out.

You will need:

- an AAC system with words
- glue (or tape)
- popsicle sticks
- construction paper
- coffee filters
- crayons or markers
- Optional decorations: paint, glitter, feathers, googly eyes

Instructions to make your pigeons:

- Cut out circles for the pigeon head. You will need at least 2 pigeons for your play. Choose different colors that you like. Cut out small orange triangles and glue to the circle to create the pigeons' beaks.
 - For the eyes, cut out smaller white circles and draw a black dot. Or use googly eyes.
- Glue the head to the top of the popsicle stick.
- Fold coffee filters in half and glue. Decorate them as desired (use paint, feathers, glitter, etc.).
- Glue the folded coffee filter onto the popsicle stick in the middle.
- Add any other desired decorations, such as painting the popsicle stick, adding glitter, stickers, etc.
- Have fun putting on your pigeon play!

Suggested Scenarios for Your Play:

- Your pigeons are hungry. What will they eat?
- The pigeons are going on a fun trip. Where will they go?
- The pigeons go to school. What do they do?
- The pigeons find a buried treasure. What do they find? What do they do with it?
