

SPORTS

As the weather continues to warm up it's a great time to get outside and play. Sports of all kinds provide us with many opportunities to communicate with AAC while having fun! From soccer to tee-ball, cornhole, or kickball; there's a sport for everyone! Whatever you choose, have a ball and remember to use your Core Words!

Tips to Engage, Expand, and Succeed:

- Play ball! This time of year we're all ready to get outside and enjoy the warm weather. It's a perfect time to play sports that we know and love or learn a new one. Sports and outdoor activities are great for targeting Core Words. Being active and having fun give us all something to talk about.
- Sports and outdoor games lead us to think of action words aka verbs. Sports also provide opportunities to focus on additional categories of core words.
 - Verbs: **run, walk, look, try, help, turn, roll, hit, throw, swing, go**
 - Organizing and sequencing: **first, next, last**
 - Describing: **fast, slow, good, bad, hard, easy**
 - Comments: **cool, awesome, wow, oh no, yikes, good try**
 - Question words: **What, Who, Where**
- Talk about taking turns and trying things that are new or difficult: **my turn, your turn, you can go, help, I try, you try again, I can do it, I did it!**
- Work on asking questions while watching or playing sports: **Who(se) turn? What that? What is it? Where did it go? How (do you) play?**
- Practice giving others encouragement: **try, try it, you can, nice job, that is good, you got it, we can do it!**

Using a low-tech communication board? Or need some choices to help you communicate during this activity?

The following strips can be used as choice boards or fringe vocabulary for the above activity. If you are using this as fringe vocabulary, you will need one of our low-tech flip books or a single page communication board. These boards are available on our website. Download the boards here: <https://saltillo.com/chatcorner/content/29> You can add these to a flip book. OR, you can Velcro these to the top/bottom of a single page low-tech core word board.
