FunWork With My Talker

Please help me read the book I Feel When

As we read the book together and fill in the blanks with the options on the right side, help me navigate my talker/device to create the sentence we put together. You can help me read each page by turning the pages and reading the words on the top of the page. I will read the words on the bottom of the page with my talker/device. If I need help, you can point to the right button on my talker/device.

We can save **each** sentence to button on a STORIES & SCRIPTS page already available in the WordPower files.

(Check out a video about STORIES & SCRIPTS [here](#).)

Navigate:

That was fun! Now I can retell the story with my STORIES & SCRIPTS page!
