Protecting Against Loss/Theft

- Warranty does not cover loss or theft
- Consider your options:
 - Homeowner's/Renter's writer policy
 - GPS tracking
 - Device must be opened
 - Will decrease your battery life
 - Must be used in conjunction with a tracking application. Saltillo does not endorse any, you can find one that fits your needs.
 - Daily tracking form for the device
 - Get into a routine with the device
 - Where does it "live?"
 - Who checks it at home/at school?
- If device is stolen, obtain police report
- If device is lost or stolen, contact Saltillo so we can flag it in our database.
