

The Bad Germ

I want to go to school.

I can not go.

The bad germ

can make me sick.

I can help stop

the bad germ.

I can do homework

on the computer.

I want to play with friends.

I can not go.

The bad germ

can make me sick.

I can help stop

the bad germ.

I can play games

with my family.

I want to go to the movies.

I can not go.

The bad germ can

make me sick.

I can help stop

the bad germ.

I can watch a tv movie.

I can read a book.

Yes, I can help stop

the bad germ!

This AAC TouchChat book was created to provide students using a device the ability to read how the coronavirus has impacted their lives.
